## SCHOOL PROFILE 2019-2020

Founded in 1982, UWC-USA is one of 18 schools on five continents that make up the United World College movement. UWC-USA is located in Northern New Mexico in the foothills of the Sangre de Cristo Mountains. A two-year international boarding school, UWC-USA is a school for students attending their final two years of high school with students from over 90 countries completing the IB Diploma Program. Students at UWC-USA start working to become agents for change the minute they set foot on campus by building bridges to understanding with students of diverse nationalities, races, beliefs, and economic backgrounds.

### SIGNATURE PROGRAMS:

**The Bartos Institute for the Constructive Engagement of Conflict** provides students with the skills to mediate differences between people with different backgrounds – a fundamental skill for a UWC student.

**The Arts and Culture Program** helps students learn about and explore the cultural differences between community members and challenges them to find new ways to express their values and experiences.

**Sustainability** is central to the UWC mission and an important part of our work is to become good stewards of the world we inhabit.

**Wilderness** provides opportunities for students to challenge themselves, develop leadership skills, and cultivate a keener appreciation of the natural world.
